

CLINTON COUNTY HISTORICAL SOCIETY

Dear Potential Business Member:

The non-profit Clinton County Historical Society, incorporated in 1921, is the official organization dedicated to the preservation and promotion of history of Clinton County. We educate the public about our rich County history through tours of our historic buildings, educational programs, speakers and displays.

In addition to funding from several sources such as "Wine in The Wilds," rental of our famous Castanea Train Station Caboose and local and state grant sources, we ask for support from local businesses. We hope you will consider a one-year business membership for a donation of **\$100** for 2024.

As a business member you will receive the following benefits:

- Recognition at events, on our website www.clintonpahistory.org, and on Facebook
- Receive our monthly e-letter updating our activities
- Receive the weekly Economic Partnership e-listing of events. You may contact us about any of your special happenings you would like us to promote on our weekly/monthly email updates.

Please return this page with the following information and your payment of \$100 to 362 East Water Street Lock Haven, PA 17745. Checks should be made payable to CCHS (Clinton County Historical Society).
